INFORMATION FOR CONTRIBUTORS

1. *Journal of Geographical Science* welcomes articles for submission on geographical research, as well as reviews of current research and theoretical development in geography.
2. *Journal of Geographical Science* covers different types of papers:
 - 1) Original research papers
 - 2) Review articles
 - 3) Reports on novel analytical methods and new experimental techniques within the scope of the Journal
 - 4) Book reviews
3. This journal is published three times per year (April, August, and December) in paper format and in electronic format.
4. Papers are accepted for consideration on the understanding that they have not been published/submitted or being submitted elsewhere.
5. The language of the journal can be English or Chinese. Titles and abstracts of papers as well as names of authors shall be written in both English and Chinese.
6. A manuscript must be submitted electronically as email attachment (pdf).
7. Please review Guidelines for Authors (<http://www.geog.ntu.edu.tw/english/journal/journal.html>) for suggestions on how to prepare your manuscript for submission to the *Journal of Geographical Science*.
8. *Journal of Geographical Science* adheres to a rigorous double-blind reviewing policy in which the identity of both the reviewer and author are always concealed from both parties. The journal usually seeks at least 2 independent referees. Prior to the sending out to referees, the editorial board will check that the manuscript fits with the scope of the Journal. When the manuscript is accepted for publication, the authors are given an opportunity to proofread the galley of an accepted manuscript. The authors must submit a Copyright Transfer form to the *Journal of Geographical Science*. Authors submitting a manuscript to the *Journal of Geographical Science* should not submit it simultaneously to another journal, nor should manuscripts repeat information published elsewhere in substantially similar form or with substantially similar content. The authors' letter of transmittal accompanying the manuscript should affirm that these conditions are met.
9. Two copies of the issue in which your manuscript appears will be sent to the corresponding author (free of charge).
10. Authors are required to secure permission if you want to reproduce any figure, table, or extract from the text of another source. This applies to direct reproduction as well as "derivative reproduction" (where you have created a new figure or table which derives substantially from a copyrighted source).
11. *Journal of Geographical Science* is officially published by the Department of Geography, National Taiwan University.

12. All correspondence must be sent to:
